An Unbe-leaf-able Start to the School Year!

A Message from Superintendent Chris Fisher

This week marks the third week that school has been in session and the building is alive again with the sounds of footsteps and laughter. Staff members, in-person learners and remote learners alike have already settled back into the routine of teaching and learning. It warms my heart to have everyone back together again in a learning space, albeit very different than most years.

I would like to thank everyone in the school community for your cooperation as we continue to monitor and adjust our reopening protocols and make any necessary changes. Your patience was particularly valuable with our student arrival and dismissal procedures as well as with the ongoing changes that have been made to the Pinpoint Health Application.

The State Education Department recognizes the need for district Reopening Plans to be fluid in nature depending on the situation with the pandemic. Our strong partnerships, ongoing collaborations, and open communications will continue to help us navigate each 'unknown' with decisions being made in the very best interest of the students of the district.

NO SCHOOL

Monday, Oct. 12th

(Columbus Day)

"Our School is the Heart of Our Community"

New Staff/Staffing Changes:

Ms. Larissa Smith, Temporary Full-Time Cleaner

Please join me in welcoming Ms. Larissa Smith as a Temporary Full-Time Cleaner. Larissa's service to the school directly aligns with the cleaning and disinfection requirements as outlined in the district's Reopening Plan. Larissa, and our entire custodial team are working to continually disinfect high-touch areas throughout the school day, as well as complete thorough and deep cleaning each night.

Mrs. Eleanor Yandon, Kitchen Manager

We are pleased to announce Mrs. Eleanor Yandon has moved into the position of Kitchen Manager. Mrs. Yandon will be continuing with the scratch cooking program here at NCS. She is looking forward to preparing soups from scratch this fall as well as baking a plethora of homemade muffins. Congratulations Ellie!

District Level Comprehensive Improvement Plan:

This past summer, NCS designed a District Level Comprehensive Improvement Plan (DCIP). The purpose of the plan was to identify priorities and next steps towards improving accountability measures for which the district had been identified. The five priorities included in the district's plan are as follows:

1. Understand the root cause of attendance rate.
2. Understand the data relative to 3-8 ELA and Math testing and the performance, achievement and growth of our Students.
3. Develop a communication plan for the school community and the faculty regarding the root causes for attendance.
4. Understand the data related to curricular changes.
5. Understand the data in relation to grade level and content staffing.

As previously discussed, the district received a designation as a Target District for chronic absenteeism and 3-8 English Language Arts and Math growth. In an effort to address chronic absenteeism, last year the district examined attendance practices and routines, updated the Attendance Policy and implemented the Academic Study for Attendance Credit. Teachers and students brainstormed attendance incentives and the district increased positive communications for perfect and improved student attendance. At the district level, we continued to work closely with families both individually and on a broad level to further explore the correlation between positive attendance as it relates to academic gains.

Regarding our designation for 3-8 English Language Arts (ELA) and Mathematics scores, it is important to note that NCS received a positive rating for overall progress, but a low rating for growth. Just as a reminder, the growth score captures all of the students who should have taken the 3-8 English Language Arts or Mathematics state assessment. In other words, if students opted not to take one or both of these assessments, the State Education Department automatically gave them a Level 1 score, which is the lowest level possible. Last year, NCS began the work of aligning the Pre-kindergarten through eighth grade English Language Arts curriculum. Staff members engaged in professional learning experiences related to ELA and/or math. Data-driven instructional practices continued throughout the year and a parent evening program provided additional information to families about the importance of the 3-8 state assessments.

In an effort to continue to improve our Measures of Interim Progress (MIPS) for the accountability areas of chronic absenteeism and 3-8 ELA and Math growth, the DCIP will outline the work we will do over the course of the next three school years. I am confident that by closely examining the potential root causes and implementing a number of improvement structures, practices and behaviors, we will achieve our goals.

Fall Athletics:

Effective September 21st, the New York State Public High School Athletic Association (NYSPHSAA) announced the start of the fall sports season. Autonomy and support was given to each individual school district to proceed with, or postponing sports. NYSPHSAA extended full support of each section with flexible fall/spring seasons and sports offerings.

As highlighted in Newcomb Central School District's Reopening Plan, the health and safety of our students, our staff and their families continues to be our top priority. Presently, some discrepancies exist between the guidance that was shared by NYSPHSAA and the guidance outlined from the Centers for Disease Control (CDC) and the Department of Health (DOH). At the September Board of Education meeting, the Board made the decision to postpone the start of the fall sports season. The district intends to continue to closely monitor the situation with COVID-19 and reevaluate periodically.

Capital Project Update:

The district has recently gone out to bid for the second time for the replacement of the oil tank. The district will open bids for this first portion of the Capital Project on October 7th.

May 8, 2021
June 5, 2021

Registration Date

October 7, 2020
November 5, 2020
April 8, 2021
May 6, 2021

ACT DATES

October 24, 2020
December 12, 2020
April 10, 2021
June 12, 2021
July 17, 2021

Register By:

September 20, 2020
November 6, 2020
March 5, 2021
May 7, 2021
June 11, 2021

Newcomb Central School CEEB Code is: 333-330. You will need to know that when you register to take the exams, so that I will receive your test scores.

DATES FOR JUNIORS TO REMEMBER

PSAT: Wednesday, October 14, 2020 @ 8 a.m.

All juniors (No international students) will take the PSAT at no cost to you. The purpose of taking this exam is to give you an idea what the SAT exams are like. This is a learning tool to help you prepare for the May/June SAT. Depending on how well you do, you **MAY** qualify for a merit scholarship. ***BOCES students***.....I need to know if you would like to take this exam. If you plan to take it, I need to let BOCES know you will not be there that day.

Parents of Pre-Kindergarten- Second Grade Students

I am going into the Pre-Kindergarten-2 classes once each week for about 8-10 weeks to discuss the following topics: Self-Esteem, Good Manners, Good Lunchroom/School Behaviors, Safety at School, Listening, Peer Pressure, Best Friends, Finding something that doesn't belong to us, Doing Your Best, Accepting and Valuing Everyone, Empathy, Mindfulness Breathing, Mindfulness Stretching, Mindfulness Listening, Mindfulness Seeing, Mindfulness Eating, Attention, Balance, Compassion, and Careers. If you have any questions or concerns, please do not hesitate to contact me.

Parents of 3-6th Grade Students

I am going into the 3-6 grade classrooms once a week for around 10 minutes each week to discuss the following topics: Mindfulness Breathing, Mindfulness Stretching,

Mindfulness Listening, Mindfulness Seeing, Mindfulness Eating, Attention, Balance, and Compassion.

If you have any questions or concerns, please do not hesitate to contact me.

Parents of 7-12th Grade Students

I am going to see students during the Social Emotional Break. During this time I may be just chatting with your children to see how they are feeling/doing. I also may be giving them Mindfulness Activities that they can practice on their own if they choose to, such as Mindfulness Breathing, Mindfulness Stretching, Mindfulness Listening, Mindfulness Seeing, Mindfulness Eating.

If you have any questions or concerns, please do not hesitate to contact me.

Reminder to parents of 3rd through 8th grade students

New York State testing will be in April, May, and June. Please make sure your children get plenty of rest before their exams. Also, if you can help it, ***please make sure your child does not miss school on the day of an exam.*** These exams will be very difficult to make up. Please review the schedule below. Thank you for your support.

3-8 ELA: April 19-26, 2021

3-8 Math: May 3-10, 2021

*Grade 4 Science Performance Test: May 25-June 4, 2021

*Grade 8 Science Performance Test: May 25- June 4, 2021

Grades 4 & 8 Science Written Test: Monday, June 7, 2021

*These tests dates are subject to change. All others will NOT change.

I am so very happy to have everyone back to school!

Happy Fall!

Mrs. Marky

SENIORS:

- All seniors going off to college will need to fill out the ***FAFSA*** beginning in ***OCTOBER***. You can apply on-line, which saves a lot of time. Before you can do that **you and a parent** need to register for a ***FSA ID***. To get your ***FSA ID*** you can go to www.fsaaid.ed.gov. If your parents or siblings have a PIN, they can “link” their PIN number to their FSA ID. This will aid in transferring your information from PIN to your FSA ID. When you receive your FSA ID number go to www.fafsa.ed.gov to apply for Financial Aid. Financial Aid forms can be filled out beginning in October this year, using last year’s tax returns. You should do this right away. Doing them on-line is much faster and easier.
- Check your application deadlines! Applications should be out **by** December 1st. If you want your transcripts to go out before Thanksgiving, you need to let me know which colleges to send them to by **November 13, 2020**.
- Please check your application before you send it out. Check spellings, print neatly, and check your grammar!!
- Ask at least 2 teachers to write you a letter of recommendation to keep in my office so that I can send them out with your applications.
- ***VISIT*** the colleges you plan to apply to! You are going to want to be at a place that you like. You won’t know that unless you take a tour. This year you may have to take your tour virtually, but it is still important to see the campus you plan to live.
- I need your updated Transcripts or Resumes so that I can send the college's accurate information. Please list all activities you have done grades 9-12, so that I don’t forget anything. Please include any Volunteer Work you have done. Remember, volunteering means you are not receiving money for the work you are doing. Example: Class fundraising is not Volunteer work. You are receiving money for a senior trip for all class fundraising activities.

FROM THE HEALTH OFFICE

First and foremost I would like to thank everyone (family, faculty and staff) for your patience and cooperation with the daily health screens. Please know that we have been working diligently to iron out the glitches with the PinPoint digital application. These screens, although one more daily task, are extremely vital to keeping the school environment safe for all during this continued pandemic. So, THANK YOU!

It has been fun to observe the masks and face coverings of our school community. They often reflect a sense of fashion, playfulness, and/or personality! I recognize that wearing face coverings can be challenging at times, so again I appreciate everyone's cooperation with wearing one in all communal areas of the school and anytime one is not seated in a space that is socially distant.

As flu season approaches, please know that our cleaning staff is being vigilant, and I urge everyone to get a flu vaccination this year. As you are all aware, we will be very strict about keeping ill students and staff home, so please review your emergency plans for childcare if warranted. To that end, our faculty has been working tirelessly to accommodate in-person and remote students, and I thank them for this teamwork.

If you have any questions regarding COVID-19 or the school's protocols, please feel free to contact me. Additionally, I recommend the Centers for Disease Control and Prevention (CDC) and the New York State Department of Health as resources if you are looking for up to date and accurate information.

Denise Bolan

October Breakfast 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

CLASS NEWS

Student Reminder:

All MS/HS students need to provide their own ear buds/headphones that are compatible with the school Chromebooks!

ALL Remote Learners!

PLEASE check in with your first period class or study hall!! 1st period generates the attendance for the entire day and we don't want to mark you absent if you are here.

Google Meets/Remote Learning Rules

Compiled by Mrs. Gagnon

In order to have a high-quality remote teaching experience, **please DO the following:**

1. Set your laptop on a surface that allows the camera to be at eye level. You should be positioned in the frame so the camera is seeing you from the chest or waist up, instead of just focusing on your face. This is more natural for the viewer and promotes effective participation and learning.
2. Make sure you are in a quiet area where you will not be interrupted or distracted during class. If possible, **use headphones** or earbuds to reduce background noise.
3. **Dress and act appropriately**, as if you were in the school building/class, since your teacher and classmates will have a partial view of you in a non-formal classroom setting.
4. **Be respectful** of your teacher and classmates during class. It is distracting, rude and interferes with your and others' learning to be eating food, playing with toys/pets, and/or making noises/talking off-topic during instruction.
5. If the teacher is presenting and the only person speaking, please mute your microphone, since background noise can be a distraction.
6. Remember to unmute your microphone before speaking.
7. If you are having difficulty hearing, make sure your volume is turned up. If there are still problems, turn on Closed Caption on the bottom toolbar (you can read the discussion). If others cannot hear you, communicate using the Chat feature.
8. In the event of a connectivity issue, please sign out of the meeting and then quickly rejoin.
9. In order to be marked as present for the class, you need to be **visible to the teacher for the entire class**.
10. Any questions, concerns, technology difficulties or other issue, contact your teacher directly and work together to devise a solution.

Welcome to the STEM/STEAM Corner!

We have started the year off with a unit I like to call "The Common Good and Why?"

Some highlights:

High school students have been discussing why we need masks and the importance of keeping everyone safe. Designing our own masks and using 3D printing we are in the process of learning how to create and innovate something that would enhance our current situation.

In the elementary we have focused on classroom curriculum-

5th and 6th grade created a very large floor model of latitude and longitude lines.

3rd and 4th graders are studying about electrical circuits and created a closed circuit. 1st and 2nd graders got to explore the effectiveness of their masks with a candle and spray bottle experiment!

We are off to a great start!
Mrs. Bernat

STEM/STEAM

2020 Yearbooks

May still be purchased for \$20.
Please make check payable to NCS -Yearbook

Community Members:

Please contact Dina Bernat at dbernat@newcombscd.org
to arrange a pick up time.

Current Students:

You may bring in a check and contact Mrs. Bernat to arrange a pick up or ask your teacher to contact Mrs. Bernat. She accepts Google Hangout messages, emails, or you may speak to her during STEAM.

We would like to take the opportunity to welcome our first cohort of students to NCSD. Here is a brief biography of each student.

My name is George Bakhtin. Last year I went to high school in Nebraska. I lived with my host family, Micki and Joe Strickland. I like to hunt, fish and drive my motorcycle. I love playing basketball on the school team. I live in Russia.

My name is Kirill. Last year I studied in Dublin, Ireland. I am a professional swimmer, winner of European championship. Also, I play basketball and we won second place in the Dublin championships between schools. I live in Kazakhstan.

My name is Rauf. I'm 17 and I am from Aktobe, Kazakhstan. I have participated in Chemistry and Robotics Olympiads on national levels. I enjoy playing sports.

My name is Vlad, 16 from Ukraine, and I went to Arkansas last year. I love Math, cross country, basketball and chilling with friends.

My name is Vasiliy Maksimov and I am from Moscow, Russia. I spent last year in Redding, California. I enjoy wrestling, volleyball, math and computer science.

My name is Aruza, but I prefer to be called Zara. I spent my junior year in Arkansas. I love drawing and want to do fashion design in college. I also enjoy singing and spent 7 years in music school where I played the piano and sang in choir. I live in Kazakhstan.

My name is Nane and I was in South Dakota last year. I was a senior there and had the best year I could ask for. I want to become a lawyer. I am looking forward to having a great year! I live in Armenia.

Hey, my name is Elen! I'm from Armenia. I'm 16years old and I like to dance. This is my first time in America and I can't wait to go to school and meet everyone! See you soon!.

IF YOU ARE INTERESTED OR HAVE QUESTIONS-
PLEASE CONTACT THE 2023 CLASS ADVISOR, SCOTT KEGLOVITS, OR SIMPLY FILL OUT THE FORM
BELOW. WE WILL RESERVE YOUR DATE ON A FIRST COME-FIRST SERVE BASIS. Dates subject to
change. THANK YOU!
